Free Family Concert at Goodman Community Center

Join us for a unique concert experience at the Goodman Community Center. On April 23 at 3:00 pm, WYSO's Philharmonia Orchestra will present a casual and intimate concert for Madison Area families. The concert itself will feature not only Philharmonia Orchestra but the Music Makers Honors Ensemble as well.

Program

Light Cavalry Overture – Franz von Suppe

Finlandia – Jean Sibelius

Waltz from the Masquerade Suite – Khachaturian

Berceuse & Final from the Firebird Suite – Stravinsky/Issac

Star Wars – John Williams

...In Time!... – Donald Fraser

This concert is a great learning opportunity for aspiring young musicians and young people looking for an introduction to classical music. Before the concert there will be an Instrument Petting Zoo where children will be able to try out trumpets, clarinets, percussion instruments, and more! After the concert there will be an opportunity to meet the orchestra, conductor and one of the composers.

This project is funded in part by a grant from the Madison Arts Commission, with additional funds from the Wisconsin Arts Board. This project is also funded in part by a grant from the American Girl Fund for Children.

For more information about the concert, please call WYSO at 608-263-3320.
